Official Rules

Rancho Penasquitos Little League (hereinafter referred to as “RPLL”) Bylaws are in addition to the Official Little League rules to reflect the playing rules, draft process, code of player and parent conduct, safety conditions, special field conditions, specific ground rules for various divisions, All-Star selection and other League day-to-day operational issues. This document will expire annually at the end of each fiscal year and must be renewed annually by the Executive Board. If there are changes to be made said changes will be by vote of the Board of

Directors. If a situation is not discussed herein, it shall be consistent with the Official Playing Rules and Regulations, as published by Little League Baseball, Inc., Williamsport, PA.

The local Little League Board of Directors must make a copy of the bylaws available to any member of the local Little League for review and inspection if requested.

Board of Directors, Volunteers and Constitution

The bylaws are to be distinguished from the local Little League Constitution. The Constitution, created as a separate document, spells out the duties and responsibilities of the officers of the board, definition of membership, election procedures, meeting requirements, such as quorum, etc.

League Meetings

- A. Meetings will be scheduled the 1st and 3rd Wednesday of the month, except during summer months. The president has the authority to cancel or change any meeting as he/she deems necessary. All changes will be posted and attendees notified.
- B. Meetings will be held at Canyonside Recreation Center, 12350 Black Mountain Road, or on Zoom, unless otherwise noted.

Volunteers and Background Checks

RPLL is required to have all board members, managers, coaches, other volunteers, individuals or contractors working for outside organizations who provide regular service to the League and/or who have repetitive access to or contact with players or teams annually, provide the Secretary with their name and email address, to be submitted to JDP, or any similar organization, for a background check. Volunteers must then submit JDP the information required for a background check. Additionally, the League is required to conduct a background check on each of these individuals. Additionally, pursuant to the State of California, all volunteers must also submit to fingerprinting via LiveScan.

RPLL is required to sign an agreement on the charter application that it will comply with Regulations I(b) and I(c) 8 & 9. The League will also be required to sign a statement on its Tournament Team Eligibility Affidavit verifying that the process under the regulations has been completed and implemented. Failure to sign the agreement on the charter application will result in the League not being chartered, and failure to fulfill the requirements of the regulations will result in the League's status being referred to the Charter/Tournament committee for action to revoke the League's charter and all privileges.

All background checks must be completed BEFORE the individuals can assume their duties for the current year. RPLL's fiscal year begins in October.

Programs

Senior League

The Senior League is open to Little League ages 13 - 16 years old. The Senior Division will start after High School CIF completes, usually late May early June. The season consists of 12 games in a 4 week time period. The Senior Division will then roll right into All Stars.

The Senior League division may compete with other District 32 Senior Little Leagues. The games are played locally and will include a larger field at a distance of 60/90. The Senior division allows lead offs, metal cleats, and Little League approved bats referenced at: <http://www.littleleague.org/learn/equipment/baseballbatinfo/batrules.htm>. RPLL may submit a tournament team (All Stars) from within this division and the team is eligible for the Little League International Senior Division Tournament.

All Senior League age players must attend assessments, unless there are 14 or less players signed-up. If there are any 15 year olds in the Junior Division, they must be drafted to the Senior Division once the Senior division starts.

MAPS (Machine Aided Pitching)

MAPS division is primarily for Little League age 8 year olds and League age 7 year olds who have played a Spring season in the Farm division.

There are NO assessments at the beginning of the season in the MAPS division. MAPS players will experience more traditional baseball playing conditions, including risk/reward base running and getting 3 outs or scoring 5 runs to end each half of an inning. A pitching machine will be utilized at this level set at 40 mph. Players will receive 5 hittable pitches before they strike out. There are no tees or walks in this division. A regulation "hard" Little League baseball will be used. A coach from each team will be responsible for running the pitching machine and umpiring the game. An end of the year tournament may be held. Players from this division are eligible for the district Little Stars tournament.

Farm

Farm division is for Little League age 7 year olds and for Little League age 6 year olds with a prior Spring season of Little League Tee Ball who are ready to hit off a pitching machine. League age 6 year-olds MUST PLAY a Spring season of Little League Tee Ball before playing machine pitch.

There are NO assessments at the beginning of the season in the Farm division. The Farm division provides players with an introduction to the fundamentals of baseball. Farm players will primarily hit off of a pitching machine set at 38 mph (after 5 pitches a tee will be introduced). A coach from each team will be responsible for running the pitching machine and umpiring the game. Ten players can play in the field and no official score is kept. There are no tournament teams for the Farm division.

Tee Ball

Tee Ball is intended for players that are Little League ages 5-6. Tee Ball is an introduction to baseball and purely instructional; the players hit off of a tee. There are NO assessments at the beginning of the season in the Tee Ball division. There are no tournament teams for the Tee Ball division. *RPLL does not offer registration for League Age 4 year olds.*

Challenger

The Challenger Division was established in 1989 as a separate division of Little League to enable boys and girls with physical and mental challenges, ages 5 - 18, or up to age 22 if still enrolled in high school, to enjoy the game of baseball along with the millions of other children who participate in this sport worldwide. Teams are set up according to abilities, rather than age, and can include as many as 15 - 20 players. Challenger games can be played as tee ball games, coach pitch, player pitch, or a combination of the three. Only players with physical and mental challenges may be enrolled in this program. Historically, RPLL strives to use a “buddy system” which matches players from the Junior division and higher with Challenger players during home games.

Waiver to Play a Lower Division Due to Safety Concerns

If, during player Assessments, it is noted by the evaluating managers that a certain player would potentially be a safety risk by playing in that player’s assigned division based on “League Age”, the managers should inform the Player Agent(s) immediately following Assessments. A majority of the managers in the particular division must agree that there is a substantial risk of injury for that player to be placed in their League assigned division. It is important that the collective manager concerns be based solely on player safety reasons. When this occurs, the player may be requested to attend a second Assessment so the Player Agent(s) and/or additional Board members can also evaluate the player. The Player Agent(s) will contact the family to discuss the circumstances and will explore options for a

waiver from Little League International for that particular player to be placed into a lower division. If it is determined that a serious safety concern would exist by placing the player in the originally assigned draft, the Player Agent(s) and League President will request a waiver per Little League International rules so the player may play in a lower division.

Note: If the player is League age 13 or higher, he/she will not be permitted to play in a lower division per Little League International rules.

FALL BALL

Fall Ball is a 10 game season with games played on Sundays. The intent of Fall Ball is to prepare players for the upcoming spring season. RPLL uses the following spring Little League Age Chart to determine a player's League Age for Fall Ball. There are no standings, playoffs, or All Stars; it's all about playing games, getting reps, and having fun.

- Rookies: tee ball, for players League Ages 5-7
- Single A: machine pitch, for players League Ages 7-9
- Double A: player pitch, for players League Ages 9-11
- Triple A: equivalent to Intermediate, uses a 50/70 field, for players League Ages 11-13
- Junior: uses a 60/90 field, for players League Ages 13-15

Player Selection

Eligibility

All players participating in the draft must be registered prior to the draft and reside or go to school within the League Charter designated boundaries (proof of residency or approved waiver is required).

RPLL serves players and families who live within the boundaries of Adobe Bluffs, Canyon View, Deer Canyon, Los Penasquitos, Park Village, Rolling Hills, Sundance, Sunset Hills, and Willow Grove Elementary schools as well as Black Mountain and Mesa Verde Middle Schools and Mount Carmel and Westview High Schools. Players attending but not living within the boundaries of these schools are also eligible. RPLL accepts a School Enrollment Form from the above-mentioned schools as well as from private schools found within our boundaries, that provides proof of enrollment for the school year which coincides with the Spring baseball season.

RPLL Player Agents gather all information on player eligibility before the assessments. This helps ensure that no ineligible player is drafted or placed on a team.

Age Restrictions

A child's "League Age" is determined by Little League International. Updated "League Age Chart" can be found on www.littleleague.org.

Draft Order

Draft order is determined by a blind draw on the night of the draft. The blind draw will be supervised by an RPLL Board Member. The Draft will be held at a non-public location to be determined before draft time.

Drafting of players is conducted in a "snake" like formation. For example, in a division of 10 teams, the team that picks the 10th player then picks the 11th player. The second and all preceding even numbered rounds will be in reverse order of the first round. The odd numbered rounds will proceed in the order of the first round.

In accordance with the overarching goal of balancing and evening teams out as much as possible, the Player Agents will conduct the draft attempting to create fair and balanced teams. To do this, the ages in the division will be distributed as equally as possible amongst the teams. For example, if there are 33 League Age 12 year olds and 10 teams, there will be 3 League Age 12 year olds per team with 3 going free in the draft. Assessment data, collected by league appointed independent assessors and the prospective managers present at the assessments, will

be collected and disseminated to the managers prior to drafts. Additionally, Player Agents will provide managers with the names of the players who were All Stars the previous season and those players who participate in additional baseball activities.

Options on Sons, Daughters and Siblings

An option is an agreement between a manager and the Player Agent covering a special condition. All options must be in writing (except #1 below) and be submitted to the Player Agent prior to the draft. The options are as follows:

1. Brothers/Sisters in the Draft

When there are two or more siblings in the draft, and the first brother or sister is drafted by the manager, that manager automatically has an option to draft the other brother or sister in the next round(s). If the manager does not exercise the option, the subsequent sibling(s) is then available to be drafted by any team.

2. Sons/Daughters of Managers

If a manager has a son(s) or daughter(s) eligible for the draft, and wishes to draft him/her, the manager must submit the option in writing. If so stated, the parent/manager is required to exercise the option at or before the close of the specific draft round, depending on the League Age of the son(s) or daughter(s).

Note: Parent/manager option 2 takes priority over any other option.

Note: These provisions also apply to managers having eligible brothers or sisters in the draft.

Draft Rounds

If an option is submitted in writing for the son and/or daughter of a manager, such candidate must be drafted in or before the following round, based on assessments and as determined by the President:

Protected Picks						
Draft Round	Little League Age					
	Minor B	Minor A	Major	Intermediate	Junior	Seniors
5th	8	9	10	11		14,13
4th	9	10	11	12	13	15
3rd	10	11	12	13	14	16
2nd						

Tee Ball, FARM, MAPS, manager's son(s) and/or daughter(s) are protected and placed in the final round(s) of the draft.

Special Considerations Which Apply

1. After assessments, the Managers assemble with the Player Agents to conduct the player draft in order to select players for their respective teams. For all divisions, selection starts from scratch each year. The complete set of draft rules is published and should be reviewed by each Manager prior to the draft.
2. The Draft Rules as outlined in the Little League Operating Manual under Plan "A" apply to all Divisions with the exception of the Intermediate and Juniors divisions as noted below:
 - a. *Players that do not attend assessments without prior notification to the Player Agents may not be placed on a wait list.*
 - b. *Any 11-year-old players that miss assessments without prior notification may not be eligible for the Intermediate or Major Division at the time of the draft unless an exception is granted by the Executive Board. If an exception is not granted the player will be placed in the pool for the Minor A draft.*
 - c. *Any 12-year-old players that miss assessments without prior notification may not be eligible for the Intermediate Division at the time of the draft unless an exception is granted by the Executive Board. If an exception is not granted the player will be placed in the pool for the Major draft.*
 - d. *Any 13-year-old players that miss assessments without prior notification may not be eligible for the Junior draft at the time of the draft unless an exception is granted by the Executive Board. If an exception is not granted the player will be placed in the pool for the Intermediate draft.*
3. After teams have been formed (post draft), any new registrants (late add) may be placed on a team as follows:
 - Little League age 14 will be placed in the Junior division.
 - Little League age 13s must be added to an Intermediate team.
 - Little League age 12s must be added to a Major team.
 - Little League age 11s must be added to a Minor A team.
 - Little League ages 8 to 10 will be placed in the least competitive division for their respective age, i.e. Little League age 10 will be placed on a Minor B team, Little League age 9 will be placed on a Minor B team, Little League age 8 will be placed on a MAPS team. However, no player shall be placed in a division that is lower than the division they played the previous spring season.
 - Little League ages 5 to 7 will be placed on a team based on the age restrictions as described in the respective divisions under Programs.
 - Any player who registers for a division that requires assessments and does not

attend assessments without prior waiver of assessment by the Executive Board will be subject to placement in a division commensurate with their skill level as determined by the Executive Board.

4. Any player who deliberately does not play to their full potential at assessments as objectively determined by the independent assessors and/or the Executive Board may be subject to placement in a division draft commensurate with their skill level as determined by the Executive Board.
5. Additionally any player who deliberately does not play to their full potential at assessments as objectively determined by independent assessors and/or the Executive Board may be subject to amended assessment results in an effort to be as fair as possible to all participants.

Note: In all divisions, a Late Add may be placed on a waitlist and will be first placed on a team in need of a replacement player. If no replacement player is needed, the Late Add will be placed on a team who would have drafted the next available player. A Late Add may also be added to a team where a vacancy has occurred due to a player withdrawal or a player injury. This guideline is subject to change and/or modification by the Executive Board, on a case by case basis, should it be determined that any manager has recruited a late add seeking to have them placed on their team.

Trading

ALL TRADES MUST BE MADE THROUGH A PLAYER AGENT APPROVAL.

The following restrictions also apply:

- Prior to the start of the draft, the trading of draft positions, once determined, is allowed.
- Trades must be made one draft round up or one draft round down (Example: a player from Team A who was originally drafted in round three, may be traded for a player on Team B drafted in rounds two, three, or four)
- All trades must be player for player only (Example: Two players from Team A could not be traded for one player from Team B).
- Trades involving a player for draft choices are not permitted.

Trades can only be conducted by the Player Agents. All trades must be completed prior to closing out the draft for the division in which the trade is proposed.

Secrecy

Drafting of players and discussions during the League draft event shall remain *confidential* and the player's draft position in which they were drafted *shall never* be revealed.

Team Rosters

Team rosters must be submitted to Little League International annually. Failure to do so could result in ineligible players in the League during the regular season and tournament (Regulation IV g). A player, manager or coach who is injured must be on roster at Headquarters to be covered by Little League insurance.

Exception: A local League Board of Directors may approve a number of “volunteer helpers” or “assistant coaches” to assist in practices (they are also covered by Little League accident insurance, if approved by the Executive Board and if noted on a separate list submitted to Headquarters).

Rosters should be submitted through the “Little League Data Center” on www.littleleague.org. This web site will provide a downloadable spreadsheet as well as accepting formats from [Licensed Products, Sponsor and Sportsconnect.com](#).

This is a secure and easy way to provide the required data on players, managers and coaches, and ensures that Little League Baseball, Incorporated receives the data that is required.

Selection of Managers and Coaches

Applications for managers and coaches are available through the registration process. The manager selection for team assignment occurs after player sign ups. Manager and coach evaluations from the previous year(s) will be used to assist in the evaluation. The President shall make the final manager selections, subject to Executive Board approval. All Manager, Assistant Coaches and Umpire appointments are contingent upon completion of a background check. All managers and coaches assigned to a team will be submitted for a background check and Live Scan when required by the State of California. Any person convicted of a crime of moral turpitude SHALL NOT BE ALLOWED to manage or coach a team for RPLL.

Managers will be appointed to an appropriate division, based on their child’s likely division placement due to age and assessment evaluation, and the Executive Board will have final approval.

Exception: Coaches shall not be identified until after teams are formed. There are no manager/coaching partnerships prior to the draft and there are no coaches’ options available in the draft.

Note: No person will be permitted to manage, assistant coach or umpire without the President appointing and the Executive Board approving that appointment. The president and/or Executive Board may, but is not required to explain to a person if they are not

reappointed or re-approved as a manager, assistant coach or umpire for the coming season. No manager, coach or umpire has tenure, regardless of the years of service.

Local Rules and Regulations

All Divisions

The Little League International Safety and Conduct Rules apply at all times while on the field. All Managers and Coaches are responsible for reading and understanding Little League Rules and Regulations and the RPLL Bylaws containing RPLL's Local Rules.

EVERY MANAGER is responsible for reading and carrying with them to games the RPLL Local Rules for the division in which they are managing.

Each manager is responsible for his/her duties for each game. If a manager is unable to meet his/her commitment, it is the manager's responsibility to arrange for a replacement prior to the game.

Umpires

All Umpires will wear protective equipment. No Umpire will work a game in which a member of his/her family is a participant, Manager, Coach or player unless agreed upon by both Managers. The Chief Umpire will attend all protest meetings to interpret the rules. The only basis for a protest will be an interpretation of a rule. Judgment calls by an Umpire CANNOT be protested by players, managers, coaches or parents.

Scorekeeping

The Official Scorebook is FINAL. The home team's Official Scorekeeper will place player and pitching eligibility in the Official Scorebook prior to each game. Managers must sign the Official Scorebook after the game to verify score, substitutions, and pitching. Scorebooks shall not be modified after the books are signed by both Managers (attesting to the accuracy-especially of pitching records). Corrections may be made only by the Official Scorekeeper for that game at the end of that game, with both Managers acknowledgement.

NOTE 1: Any and all interleague games played with teams outside of RPLL COUNT in the RPLL standings. It is within the Board of Director's discretion on a per-division basis to suspend this rule; such suspension must be done prior to commencement of the season.

NOTE 2: All pitch count rules APPLY to all games played, including interleague games with teams outside of RPLL.

Rosters

All teams must carry a full roster designated by the Player Agents. Should any team at any level lose any players on the roster during the current season through illness, injury, change of address or other justifiable reasons (may be subject to RPLL Executive Board approval), the team Manager must notify their Player's Agent WITHIN 24 HOURS of the loss of a player. "Loss of a player" shall be defined as a player missing three consecutive games. If the Manager does not contact the Player's Agent as soon as they know or suspect a player will miss three or more consecutive games, that Manager is subject to disciplinary action by the Board of Directors. Prior to the start of the season, the Player Agent has two (2) weeks to replace a lost player. Once the season starts, the lost player must be replaced within two (2) games from the date the player left the team. Any person from a team that has lost a player is strictly prohibited from contacting a potential replacement player or that player's parents. Disciplinary action for doing so will include loss of the contacted player and a (minimum) one (1) game suspension for the offending team Manager. Any replacements within four (4) or less games remaining in the season must have the approval of the Board of Directors.

Replacement players will be obtained through the Player's Agent only. The Player Agent will determine the eligibility of replacement players using Little League rules and RPLL Local Guidelines. In the event there are no eligible players available, the Manager may request a waiver to remain at the current number of players until such time as a player(s) becomes available. The request for a waiver must be approved by the RPLL Executive Board and the District 32 Administrator and Regional levels.

For the Senior, Junior, Intermediate, Major, and Minor Divisions, a team that has lost a player through illness, injury, change of address or other justifiable reasons which may be subject to RPLL Executive Board approval (the playing ability of the child shall not be considered as a justifiable reason for replacement) must follow these guidelines:

- a. For the Junior Division, if there are no available players on the waitlist, a 13-year-old playing in the Intermediate Division may be asked to move on to the Junior team that needs a replacement player.
- b. For the Intermediate Division, if there are no available players on the waitlist, an 11-year-old playing in the Major Division may be asked to move on to the Intermediate team that needs a replacement player.
- c. For the Minor A Division, if there are no available players on the waitlist, a 10 year old playing in the Minor B Division may be asked to move on to the Minor A team that needs a replacement player. If no 10 year olds playing in the Minor B Division wish to move to the Minor A team, a 9-year-old playing in the Minor B Division may be asked to move on to the Minor A team.

NOTE 1: Any eligible replacement player for a Junior, Intermediate or Minor Division team may decline to be moved to another team. Any player doing so shall be rendered ineligible

for placement on another team for the remainder of the season.

Lineups

All lineups will be furnished to the opposing Manager, Official Scorekeeper and Umpire at least ten (10) minutes prior to the scheduled start time for the game. The lineup will consist of all players on the roster and indicate starters (if applicable) by batting order, shirt number, last name, and playing position. Any remaining players must show status (i.e. sub, absent, injured, discipline). Pitching substitutions must be made only when time is “out” and when clearly announced to the Official Scorekeeper, Umpire and opposing Manager.

Regulation Games

Regulation games adhere to Little League Rule Book Sections 4.10 & 4.11. The time limits are as stated in the individual division Local Rules. The start time begins when the Umpire says, “Play Ball” and is so noted in the Official Scorebook.

Tie Games

In the event of a tie score at the time limit for the Major, Minor A and Minor B Divisions, one additional inning will be played to attempt to break the tie. If the score remains tied after the one extra inning, then the game will end in a tie. Post season tournament games in all divisions cannot end in a tie and will be continued until a winner is determined. For the purposes of standings, a tie game shall be worth 1 point to each team.

Minimum Play Regulations

Every player on a team’s roster present for the start of a game shall participate in each game in accordance with Little League Regulation IV (i), or as modified by the RPLL Local Rules for each division of play.

See Little League Regulation IV(i) for minimum play rule, what is required if minimum play is not met, and consequences for violations.

For Tee Ball, Farm, Maps, Minors, Major and Intermediate divisions, all present members of the entire roster will be included in the batting order at all times. There are no limits to the number of substitutions a Manager may make in an inning and no restrictions on minimum playing time before a player may be substituted as long as each player received their minimum playing time for each game. Juniors will play a “traditional” nine player line up and make substitutions accordingly.

IF a player becomes injured or leaves the game, their lineup spot will be skipped over for the duration of that game without constituting an out. IF the player arrives late to a game and the Manager chooses to enter him/her in the lineup, they will be added to the END of the current lineup.

Food, Drink & Trash

Food or gum of any kind (including sunflower seeds) are NOT allowed inside the fences at any time by players, managers, coaches or umpires. Water and sports drinks in non-glass containers are acceptable and encouraged. All teams are responsible for their own trash clean up and placing trash in trash cans before they leave the field.

Alcohol, Tobacco, and Drug Policy

It is Little League International's and RPLL's policy that all fields and events (including, but not limited to, RPLL players assessments, player or umpire clinics, practices, and games) associated with Little League be alcohol and tobacco free. Alcohol or drug consumption is prohibited at any RPLL event - this includes drinking or use of drugs in the stands and parking lots, as well as the use of cups or other containers used to disguise the consumption of alcohol. Any person attending an RPLL event who is obviously intoxicated or under the influence of drugs who causes a disturbance at or interrupts any such event may be warned and asked to leave the park by any member of the RPLL Board of Directors. Any person who is asked to leave the park, but refuses to do so may be subject to disciplinary action by the Executive Board, including, but not limited to, suspension from attending RPLL events.

In accordance with City of San Diego Municipal Code section 43.1002, smoking or vaping of any kind is prohibited at any public park in use by RPLL or at any RPLL event at a public park.

Scheduling

The League's designated Scheduler(s) are responsible for assigning fields for practices and games, and creating playing schedules for the entire season, including postseason play.

NOTE 1: No more than three official league activities (2 games plus 1 practice or 3 games) shall take place in a given Monday through Sunday period during regular season play for Minor B and above. Tee Ball, Farm and MAPS are limited to two official league activities (1 game plus one practice, or two games, or two practices). Managers are prohibited from calling additional practices (if three league activities have already been set by the League Scheduler) in that Monday through Sunday period.

If any Tee Ball, Farm, MAPS or Minor B games are rained out or canceled for any reason, such games will NOT be rescheduled.

Procedure for Senior, Junior, Intermediate, Major and Minor A divisions: The manager has a maximum of 72 hours from the date of receiving the schedule to notify the scheduler of

any games that the team will need to be rescheduled due to a lack of players. The scheduler will do his/her best job to reschedule the game. Once the schedule has been finalized and the season has begun, any games that cannot be played due to a lack of players will result in a forfeit by the team who could not field enough players to play the game unless the President and League Scheduler have determined that there is a valid reschedule request based on previously unknown circumstances.

When a Senior, Junior, Intermediate, Major or Minor A team finds that they cannot field a team for a scheduled game; the following steps must be followed:

- Player Agents must be contacted as soon as possible to request pool players if available for that division and pool players must be utilized if available. Pool players are only available for regular season games.
- Contact the Player Agents NO LESS than 72 hours prior to the scheduled game.
- Contact the opposing Manager NO LESS than 72 hours prior to the scheduled game.
- Pool players may be requested to bring the team to no more than 9 players.
- The Manager must give the name of each player and the reason each player will not be available to play. Once it has been established that the team will not be able to field eight (8) players, and if Pool Players are not available to bring the team to 8 players, the league President will reschedule the game (in coordination with the League Scheduler) for the NEXT AVAILABLE time without consideration of pitching, etc.
- If the team that requested to reschedule the original game cannot field a full team for the new date and time, that team will automatically forfeit the game. If the opposing team cannot field a full team for the newly scheduled date and time, the Manager MUST notify the League President within 24 hours of the President's notification of the rescheduled game and another date and time will be set.
- If either team cannot field a full team for the second rescheduled date and time, the team that originally could not field a full team will forfeit the game.

If a game cannot be played because of the inability of either team to place eight (8) players on the field or at least one (1) adult in the dugout, there will be a 10 minute grace period from scheduled start time to get eight (8) players or at least one (1) adult in the dugout. If a team is unable to do so, this shall not be grounds for automatic forfeiture and will be referred to the Executive Board of Directors for decision to reschedule or declare a forfeit based on the notification procedure outlined above. Tee Ball, Farm, and MAPS may play with fewer players.

Rain-Outs and Suspended Games

1. Authority to start and continue games shall be in accordance with Little League rules 3.10 & 4.01(d). Both managers shall agree on the fitness of the field of play before the game can start. This shall be done at the field at game time unless the Executive Board

cancels the games ahead of time. If the managers cannot agree on the fitness of the field, the President or a duly designated representative shall make the determination (this representative is the plate umpire for the game if no other representative is available). As soon as the home team's batting order is handed to the plate umpire, the umpires are in charge of the playing field and have the sole authority to determine when a game shall be called, halted, resumed or suspended.

2. Rain-out make up games and suspended game continuations are to be scheduled by the league scheduler and approved by the Executive Board. The principle of "next available date" (with the exception of Sunday) irrespective of pitching eligibility or field location is to be followed. If a team is unable to play a rescheduled or continued game the Manager must inform the League Scheduler within 24 hours of the Scheduler's notification of the rescheduled game and another date and time will be set. If either team cannot field a full team for the second rescheduled date and time, the team that originally could not field a full team will forfeit the game. Any continued game resumes exactly where it left off.
3. Managers are forbidden to hold practices or games on fields or batting cages that have been closed for weather, repairs, or fields not assigned to that team by the League Scheduler.

Game Day Rules:

1. **Field Preparation.** Proper preparation of the field requires repairing any damage to the field such as batter's boxes and pitching mounds and putting out all necessary equipment, such as the bases. Both teams are responsible for preparing the field before each game, including, but not limited to, chalking the foul lines and batters' boxes, any clay repairs to the pitcher's mound and batters box, broom dragging the field, watering the field, and putting away and locking up all equipment (bases and field equipment).
2. **Home and Visitor Dugouts.** Home team shall occupy the 1st base dugout and the visiting team shall occupy the 3rd base dugout.
3. **Infield and Outfield Warm-ups.** Both teams have access to the outfield for pregame warm ups until 10 minutes prior to game time. Time permitting, at 30 minutes before game time, the visiting team gets the entire infield, center field, and either right OR left field for 10 minutes, and at 20 minutes before game time, the home team gets the entire infield, center field, and either right OR left field for 10 minutes. The team that is not on the infield may utilize one open side of the outfield that the defensive team is not using. Infield warm-up should end 10 minutes before game time. If there is inadequate time for each team to have 10 minutes infield/outfield time, the teams should equally divide the available time. However, if the visiting team is simply late getting on the field, they are not to extend into the home team's infield/outfield time.

4. **Warming Up Players and Pitchers.** Any player warming up a pitcher must follow Little League International rules. If a player warming up the pitcher squats into a normal catcher position, they must have a catcher's mask with dangling throat guard on and appropriate safety equipment.

Managers or coaches are permitted to warm up a pitcher at home plate or in the bullpen or elsewhere at any time, including in-game warm-up, pre-game warm-up, and in other instances. They may also stand to observe a pitcher during warm-up in the bullpen.

5. **The Little League Pledge.** For every game, the home team will provide one player to recite the Pledge of Allegiance and the visiting team will provide one player to recite the Little League Pledge.
6. **Questions During Play.** When there is a question about a rule during a game, the Manager should:
 - a. Confer with the home plate umpire
 - b. Check the RPLL Local Rules for their respective Division of Play
 - c. Check the RPLL Local Rules for All Divisions
 - d. Check the Official Little League Rule Book.
 - e. The home plate umpire has the final say in any ruling.
 - f. All protests must be resolved before the next pitch or play.

Managers should not unnecessarily hold up the play of the game if they do not understand the rules. If it is determined that a manager continuously holds up the pace of play, such manager may be subject to disciplinary action by the Executive Board of Directors.

7. **Keeping the Game Moving Along.** All reasonable efforts must be made to move the game along quickly. Managers must be organized enough to get their team on and off the field promptly (teams should run on and off the field). Teams should either have their catcher ready to go as soon as the 3rd out occurs or have another player (wearing a catcher's mask and glove) warm up the pitcher. Excessive team conferences between innings are not permitted as they slow the game down. A short conference when the team comes in from defense generally will not slow the game down as long as the first batter is ready to hit.
8. **Any batter who throws a bat will be warned one (1) time (scorekeeper must note).** After the first warning, a second offense may result in ejection. If the umpire determines that a player throws a bat (or any other equipment) in an unsportsmanlike manner, this may be cause for the player's immediate ejection. For MAPS, Farm and Tee Ball divisions the field umpire will issue a warning for the first offense and all

subsequent offenses will be called out.

9. **Bat Standard.** All bats must meet USA Baseball Bat Standards and be in conformance with Little League International current bat rules.
10. **Roster keeping and Game Balls.** The home team will provide the official scorekeeper and the game balls.
11. **A manager or coach may not tell his players to run into, or in any way harm, the members of the opposing team.**

Minor B Division

Playing Rules - The Minor B Division is governed by all rules and regulations in the “Official Regulations” and “Official Playing Rules” of the Little League Baseball Rulebook in effect for the Spring season, except as modified as follows::

1. **Continuous Batting Order.** All members of the entire roster who are present at the start of the game will be included in the batting order at all times.

2. **Regulation games.** Regulation games are 6 innings, unless extended or shortened in accordance with Rule 4.10. Teams will not start a new inning more than 1 hour and 45 minutes from the Official Game Time.
3. **RPLL Mandatory Play for Minor B.** In addition to the continuous batting order, players must play at least three innings. Players must play at least every other inning in the field (no player shall sit on the bench in consecutive innings) until each player has played at least three (3) innings. Each player must also play at least one (1) inning at an infield position. Additionally, no player shall sit out for a second defensive inning until all players in the batting order have sat out at least one inning on defense. Infield positions include pitcher, catcher, first base, second base, third base and shortstop.

There is no limit on the number of substitutions a manager may make in an inning and no restrictions on minimum playing time before a player may be substituted.

4. **Base Running and Stealing.** Runners may not advance on passed balls, wild pitches, or throws back to the pitcher. Players may attempt to steal ONLY 2nd Base, but only if 2nd Base is unoccupied and ONLY if the catcher catches the pitch IN FLIGHT. Players attempting to steal 2nd Base may not leave 1st Base until the pitch reaches the batter. If 2nd Base is unoccupied and the catcher catches the pitch IN FLIGHT, a player, at their own risk, may attempt to steal 2nd Base. The catcher may attempt to throw the player out on the attempted steal. The player MAY NOT advance extra bases in the event of an overthrow by the catcher attempting to throw said runner out.
5. **Overthrows.** If a defensive player makes an overthrow and the ball remains in the field of play, runners may advance, at their own risk, up to one base beyond the base to which they were advancing at the time the ball was put in play.
6. **5-Run Per Inning Limit.** The offensive team is allowed to score a maximum of 5 runs in its half of the inning. Each half inning will end when either the defensive team records 3 outs or the offensive team scores 5 runs, whichever occurs first. The 5 run-limit applies to the entire season and applies to every inning played.
7. **Standings.** Standings for Minor B will be maintained on the RPLL website utilizing a point system, with teams earning 3 points for a regular season win and 1 point for a tie. Total points for each team at the end of the regular season will be used to determine final regular season division standings and playoff seeding. If teams are tied in points at the end of the regular season, tie-breakers apply in the following order: 1) head-to-head record; 2) winning percentage; and 3) fewest runs allowed. During the playoffs, the higher seed shall begin the tournament as the home team. If a lower seeded team beats a higher seeded team then the lower seed shall inherit home field advantage. In the event that both original teams enter the losers bracket, then the

ORIGINAL seeding will be used for home/away team determination.

MAPS Division

Playing Rules - The MAPS Division is governed by all rules and regulations in the “Official Regulations” and “Official Playing Rules” of the Little League Baseball Rulebook in effect for the Spring season, except as modified as follows:

1. **Continuous Batting Order.** All members of the entire roster who are present at the start of the game will be included in the batting order at all times.
2. **Regulation games.** Regulation games are 6 innings. Teams will not start a new inning more than 1 hour and 40 minutes from the Official Game Time.
3. **The defensive team may use 10 players.** Teams may play with ten (10) defensive players in the field, with the 10th player positioned as a fourth outfielder. The four outfielders must remain in the outfield, beyond the outfield hash line, until the ball is put in play. .
4. **RPLL Minimum Play Standards for MAPS.** All players must play at least every other inning in the field. A player must play at least two (2) innings, and not more than four (4) innings at an infield position (at least one and no more than three in a shortened game), no exceptions. Infield positions include pitcher, catcher, first base, second base, third base and shortstop. Players may not sit out on defense in consecutive innings, and no player shall sit out for a second defensive inning until all players in the batting order have sat out at least one inning on defense.

EXCEPTION: A player may play more than four (4) innings in the infield ONLY after the entire roster has already played two (2) infield innings.

5. **5-Run Per Inning Limit.** The offensive team is allowed to score a maximum of 5 runs in its half of the inning. Each half inning will end when either the defensive team records 3 outs or the offensive team scores 5 runs, whichever occurs first. The 5 run-limit applies to the entire season and applies to every inning played.
6. **No defensive players stationed within 40 feet of home plate.** No defensive player other than the catcher will be positioned within 40 feet of home plate prior to the ball being hit. The defensive pitcher must be positioned on the back half (180°) furthest away from home plate until the ball is put in play.

7. **Base Running Rules.** No runner may advance any more than one base on a batted ball that does not leave the infield dirt. The only exception to this rule is that the runner may attempt to advance one additional base on an overthrow. Runners who advance in violation of this rule shall be returned to their proper base, unless they are tagged out before arriving safely at the next base or returning safely to the prior base, in which case they shall be called out. On a ball hit in the infield, the play will be over and play will stop when any defensive player has the ball in his possession and is within the infield bases. On a ball hit to the outfield, the play will be over and play will stop when the ball is in the possession of ANY infielder within the infield bases. All runners will return to the last base touched if they have advanced once one of these conditions has been met. **NOTE:** A player must have secure possession of the baseball inside the bases to stop play. A runner may continue to the next base if the runner is more than half way down the baseline.
 8. **There is no base stealing.** Runners may not leave their base until the batter puts the ball in play.
 9. The pitcher's position will be a 10-foot diameter circle in the infield, halfway between first and third base and halfway between home plate and second base. The pitcher **MUST** keep one (1) foot inside the circle until the ball is put in play.
 10. **Adult Pitching Machine Operator.** Each offensive team will provide one adult (see NOTE below) to operate the pitching machine for their own team. The speed of the pitching machine shall be set at 40 MPH and may not be changed during the game. The operator may adjust the direction and height of the machine before the beginning of a half inning and as reasonably necessary to bring the machine back into alignment during a half inning. The pitching machine should not be adjusted to accommodate each player's strike zone. If players on the defensive team throw the ball to the pitching machine operator, the operator must catch the ball and play is then dead. The distance from the front of the rubber on the pitcher's mound to the furthest back point of home plate is 46 feet. Set the delivery point of the pitching machine directly over the front of the rubber. The defensive pitcher (player) must have at least one foot within the pitcher's circle until the ball is hit.
- NOTE:** *ADULTS* 18 years or older that have an RPLL Volunteer Application filed with the League, and have had a background check performed, are authorized to feed or operate the pitching machine. RPLL Volunteer Application can be found at www.rpll.org in the *Documents* section.
11. **The coach feeding the pitching machine is the umpire for that half-inning.** The decisions of the umpire are final. NO coach can dispute an umpire's judgment call. The

manager may ask for clarification of a rule of baseball only. No formal protests will be allowed. If there is an unresolved problem, it should be taken up with the Chief Umpire of the League after the game.

12. **If the ball hits the pitching machine, the cord, or the operator, it immediately is called a dead ball, and all play stopped.** RPLL does not want any player to have any incentive to go after a ball under or near the pitching machine. If a batted ball strikes the pitching machine (or otherwise), runners return to their base and the pitch is replayed. If the ball striking the machine, cord or operator is last touched by a defensive player (i.e., it was thrown or deflected by a defensive player), the offensive team is likely the team prejudiced, and as a result, the batter and any runners will be awarded the base they were going to at the time the ball struck the machine or cord. If the ball thrown by a defensive player hits the adult operator, this is deemed returning the ball to the pitcher. Runners should not advance any further, except the batter may continue to 1st base, and if any runners are forced to additional bases, they shall continue to the next base. If an adult pitching machine operator does not catch a ball thrown to him from the defensive team, the runners should not advance any further, except the batter may continue to 1st base, and, if any runners are forced to additional bases, they shall continue to the next base. If the pitching machine operator accidentally catches the ball or if the ball hits the pitching machine, the batter gets first base and all the runners will advance one base.
13. **Each batter receives up to five (5) pitches.** Each batter will receive up to 5 pitches to put the ball in play. If the batter fouls off the 5th or any subsequent pitch, the batter will receive additional pitches until they either put the ball in play or strike out. The 5-pitch limit is mandatory, and neither manager has discretion to give a batter additional pitches if the batter does not foul off the 5th or subsequent pitches.
14. An inning will consist of five (5) runs, or three (3) outs, whichever comes first.
15. **No walks.** There will be no base on balls, nor will the batter be awarded a base if hit by a pitch. There will be no called strikes.
16. Bunting is not allowed.
17. **A maximum of four (4) adults are allowed in the dugout at one time once play has started.** There must be at least one adult in the dugout at all times. All on-field coaches must be adults and have an approved RPLL Volunteer Application. The RPLL Volunteer Application can be found at www.rpll.org in the *Documents* section.
18. **There will be two (2) defensive coaches allowed on the field** once the defensive half of the inning has started. Both defensive coaches must remain in the outfield at least thirty (30) feet behind the baseline at all times. Should a ball-in-play hit one of the defensive

coaches, the ball is considered live and play will continue. A third defensive coach will be positioned in the “On Deck” area facing the batter in the batter’s box. This coach must not be behind home plate. All coaches understand there is no “On Deck” circle allowed in Little League Minor Division or below, per Little League Rules. The coach from the offensive team in the pitcher’s circle, feeding the pitching machine (or an adult pitcher), must keep both feet within the ten (10) foot pitching circle. If a player is injured, a manager or coach may request “time” in order to attend to the injured player. “Time” is not granted until the umpire grants it.

FARM Division

Playing Rules - The Farm Division is governed by all rules and regulations in the “Official Regulations” and “Official Playing Rules” of the Little League Baseball Rulebook in effect for the Spring season, except as modified as follows:

1. **Games are 6 innings, but teams will not start any new inning more than 1 hour and 30 minutes after the start time of the game.**
2. The offensive team will bat until all players in the lineup have batted in their half of the inning or the defensive team records 3 outs, whichever occurs first.
3. **The defensive team may use 10 players.** There may be ten (10) defensive players in the field, with the 10th player positioned as a fourth outfielder. The four outfielders The fourth outfielder, as well as the other three (3) outfielders, must remain in the outfield, beyond the outfield hash line, until the ball is put in play.
4. **RPLL Minimum Play Standards for FARM.** All players must play at least every other inning in the field. A player must play at least two (2) innings, and not more than four (4) innings at an infield position (at least one and no more than three in a shortened game), no exceptions. Infield positions include pitcher, catcher, first base, second base, third base, and shortstop. No player is permitted to sit out for a second defensive inning until all players in the batting order have sat out at least one inning on defense. **EXCEPTION:** A player may play more than four (4) innings in the infield ONLY after the entire roster has already played two (2) infield innings.
5. **There will be no base stealing.** Runners are not allowed to leave their base until the batter puts the ball in play.
6. **The Infield Fly Rule does not apply in Farm.**
7. **The field will have a home run line 145 feet from home plate.** Any batted ball that bounces or rolls over the outfield boundary (usually marked by cones), will be ruled a

Ground Rule Double. Any batted ball that goes over the home run line in flight, before touching the ground, is a home run; even if it is first touched by a defensive player.

8. The pitcher's position will be a 10-foot diameter circle in the infield, halfway between first and third base, and halfway between home plate and second base. The pitcher MUST keep one (1) foot inside the circle until the ball is hit. The defensive pitcher must be positioned on the back half (180°) furthest away from home plate until the ball is put in play.
9. **Stopping Play** All play shall stop when the defensive team returns the ball to the infield area and the defensive team is not trying to make a play on a runner. Runners are allowed to proceed, at their own risk, to the base they were heading to, if they are approximately half-way. Managers and coaches are reminded this is an instructional division and managers and coaches should not encourage their runners to stretch their hit into an extra base simply because the throw back to the infield was errant, or the defensive team mishandles the ball. If the ball is hit to the outfield and rolls past the cones, it will be deemed a Ground Rule Double.
10. **Runners may not advance on overthrows.** When the defensive team makes an overthrow that goes out of play, the ball is considered dead and runners must return to the last base legally touched. An overthrow past the outfield cones, but in fair territory, is considered out of play.
11. **Adult Pitching Machine Operator.** Each offensive team will provide one adult to operate the pitching machine for their own team. The speed of the pitching machine shall be set at **38 MPH** and may not be changed during the game. The operator may adjust the direction and height of the machine before the beginning of a half inning and as reasonably necessary to bring the machine back into alignment during a half inning. The pitching machine should not be adjusted to accommodate each player's strike zone. The distance from the front of the rubber on the pitcher's mound to the furthest back point of home plate is 46 feet. Set the delivery point of the pitching machine directly over the front of the rubber. The defensive pitcher (player) must have at least one foot within the pitcher's circle until the ball is hit.

NOTE: *ADULTS* 18 years or older that have an RPLL Volunteer Application filed with the League, and have had a background check performed, are authorized to feed or operate the pitching machine. RPLL Volunteer Application can be found at www.rpll.org in the *Documents* section.

12. **The Coach feeding the pitching machine is the umpire for that half-inning.** The decisions of the umpire are final. NO coach can dispute an umpire's judgment call.

The manager may ask for clarification of a rule of baseball only. No formal protests will be allowed. If there is an unresolved problem, it should be taken up with the Chief Umpire of the League after the game.

13. **If the ball hits the pitching machine, the cord, or the operator, it immediately is called a dead ball, and all play stopped.** RPLL does not want any player to have any incentive to go after a ball under or near the pitching machine. If a batted ball strikes the machine (or otherwise), runners return to their base and the pitch is replayed. If the ball striking the machine, cord or operator is last touched by a defensive player (i.e., it was thrown or deflected by a defensive player), the offensive team is likely the team prejudiced, and as a result, the batter and any runners will be awarded the base they were going to at the time the ball struck the machine or cord. If the ball thrown by a defensive player hits the adult operator, this is deemed returning the ball to the pitcher. Runners should not advance any further, except the batter may continue to 1st base, and if any runners are forced to additional bases, they shall continue to the next base. If an adult pitching machine operator does not catch a ball thrown to him from the defensive team, the runners should not advance any further, except the batter may continue to 1st base, and, if any runners are forced to additional bases, they shall continue to the next base. If the pitching machine operator accidentally catches the ball, the batter gets a strike.
14. **Each batter receives up to five (5) pitches.** Each batter will receive up to 5 pitches per at bat to put the ball in play. If the batter fouls off the 5th or any subsequent pitch, the batter will receive additional pitches until they either put the ball in play or strike out. The 5-pitch limit is mandatory, and neither manager has discretion to give a batter additional pitches if the batter does not foul off the 5th or subsequent pitches. After 5 pitches, if the batter has not put the ball into play, the player will use a batting tee, and the batter will be permitted to swing until they put the ball into play past a 12-foot arc in front of the home plate. If the ball does not travel past the 12-foot arc, it is considered a foul ball. There are no strikeouts in this division.
15. **Catchers shall be properly equipped.** The catcher will wear a designated catcher's mask, shin guards, chest protector, catcher's mitt, and (if male) protective cup. The catcher will stand or squat inside the backstop area, but need not squat behind the plate. **NO SHORTS ARE ALLOWED FOR ANY PLAYERS** during games or practices.
16. **A maximum of four (4) adults are allowed in the dugout at one time once play has started.** There must be at least one adult in the dugout at all times. All on-field Coaches must be adults and have an approved RPLL Volunteer Application. The RPLL Volunteer Application can be found at www.rpll.org in the *Documents* section.

17. **There will be two (2) defensive Coaches allowed on the field** once the defensive half of the inning has started. Both defensive Coaches must remain in the outfield at least 15 feet behind the baseline, at all times. Should a ball-in-play hit one of the defensive Coaches, the ball is considered live and play will continue. A third defensive coach will be positioned in the “On Deck” area facing the batter in the batter’s box. This coach must not be behind home plate. The coach from the offensive team in the pitcher’s circle, feeding the pitching machine (or an adult pitcher), must keep both feet within the ten (10) foot pitching circle. If a player is injured, a manager or coach may request “time” in order to attend to the injured player. “Time” is not granted until the umpire grants it.
18. **RIF Safety Balls Must Be Used.** A medium firmness RIF (Reduced Injury Factor) baseball will be used in Farm.
19. **Chalk Lines for Games.** A 10-foot circle will be drawn around the pitcher/pitching machine location.

Tee Ball Division

The Tee Ball Division is governed by all rules and regulations in the “Official Regulations” and “Official Playing Rules” of the Little League Baseball Rulebook in effect for the Spring season, except as modified as follows:

1. **The game will last no longer than one hour and fifteen minutes (1:15).**
2. **The defensive team may use 10 players.** There may be ten (10) defensive players, with the 10th player positioned as a fourth outfielder. The fourth outfielder, as well as the other three (3) outfielders, must remain in the outfield, beyond the outfield hash line, until the ball is hit. As part of field prep, there will be an arc hash line from foul line to foul line measured at a distance of 50 feet from the back center of the pitching rubber.
3. **All players must play at least three (3) of the first four (4) innings.** A player must play at least two (2) of those innings, and not more than four (4) innings, in an infield position (at least one and no more than three in a shortened game), no exceptions. Infield positions include pitcher, catcher, first base, second base, third base, and shortstop. No player is permitted to sit out for a second defensive inning until all players in the batting order have sat out at least once on defense.
EXCEPTION: A player may play more than four (4) innings in the infield ONLY after the entire roster has already played two (2) infield innings.

4. **The field will have a home run line 125 feet from home plate, 50 foot base paths, foul line markings, and a 15-foot arc in front of home plate.** Any batted ball that bounces or rolls over the outfield boundary (usually marked by cones), will be ruled a “Ground Rule Double.” Any batted ball that goes over the line on the fly, before touching the ground, is a home run; even if it is first touched by a player. The pitcher’s position will be a 10-foot diameter circle in the infield, halfway between first and third base, and halfway between home plate and second base. The pitcher must keep both feet completely inside the circle until the ball is hit.
5. **When batting off the tee, the ball is foul if it fails to go past the 15-foot arc in front of home plate into fair territory.** No bunting is permitted. (RULING: Ball is dead, no play). No strikeouts.
6. **A maximum of four (4) adults are allowed in the dugout at one time once play has started.** There must be at least one adult in the dugout at all times. Any adult in the dugout must have an RPLL approved Volunteer Application filed with the League and a background check performed. The RPLL Volunteer Application can be found at www.rpll.org in the *Documents* section.
7. **A Manager or Coach from the team at bat will accompany the batter to home plate to adjust the tee; place the ball on the tee; and position the batter prior to each swing, if needed.** The team at bat will also have a first (1st) and third (3rd) base Coach. Managers or Coaches must stay at least three (3) feet behind the foul line when the ball is in play.
8. **The Manager or Coach who is positioning the player at the tee must remove the tee and the bat after the ball is hit for safety purposes.** A base runner cannot score while the tee is on home plate (no run is scored, no out is recorded, the runner goes to the dugout).
9. **There will be two (2) defensive Coaches allowed on the field.** Both defensive Coaches must remain in the outfield at least 15 feet behind the baseline at all times. Should a ball-in-play hit one of the defensive Coaches, the ball is considered live and play will continue.
10. **The offensive first (1st) and third (3rd) base Coaches will umpire their respective bases.** The two (2) defensive Coaches will umpire second base and the home run line. The Coach managing the tee will umpire home plate and fair or foul plays.

11. **Once a ball thrown from the field passes the 15-foot arc on its way to home plate, the ball will be dead, unless there is a play at the plate.** In the case of no play at the plate, all runners will return to the last base touched. **EXCEPTION:** If the last base touched is occupied by a following runner when the ball passes the 15- foot arc, the runner will be allowed to advance to the next base.
12. **The catcher will wear a designated catcher's mask, shin guards, chest protector, and (if male) protective cup.** A catcher's mitt is optional. **NO SHORTS ARE ALLOWED FOR ANY PLAYERS** during games or practices.
13. **Two (2) runners may not occupy the same base, but, if while the ball is in play, two (2) runners are touching the same base, the following runner will be out, if tagged.** The preceding runner is entitled to the base unless a force play is involved. The preceding runner is out when tagged or the next base is touched.
14. **A runner is out when:**
 - (A) He/she runs more than three (3) feet away from a direct line between bases to avoid being tagged, unless his/her action is to avoid interference when a fielder is fielding the ball.
 - (B) He/she intentionally interferes with a thrown ball, or hinders a fielder while attempting to make a play on a batted ball.
15. **RIF Safety Balls Must Be Used.** A medium firmness RIF (Reduced Injury Factor) baseball will be used in all games.
16. **Chalk Lines for Games.** In addition to the customary lines for Little League Baseball, the following lines will be drawn:
 - a. A hash mark will be placed intersecting the 3rd base line, halfway between 3rd and home.
 - b. A 10-foot circle will be drawn around the pitcher/pitching machine location.
 - c. An outfield arc line will be drawn 125 feet from home plate.
 - d. A hash line arc will be drawn from foul line to foul line, 50 feet from the back center of the pitching rubber.
 - e. A 15-foot arc extending out from home plate, from the 3rd base line to the 1st base line.

Pitching Eligibility and Rests

To protect the arms of young players, RPLL adheres to the pitch count limits, pitching/catching eligibility, and days' of rest requirements in Regulation VI of the Little League Baseball Rulebook for the current season. This not only helps protect players from overuse injuries, it encourages and highlights the need for pitching accuracy at all levels of

baseball.

Regulation VI – Pitching

RPLL adheres to the Little League International pitching regulations as found in the Little League International Rulebook, Regulation VI.

RPLL LOCAL RULE: All pitch count and days’ of rest rules apply to all games played, including interleague games with teams outside of RPLL.

RPLL LOCAL RULE: Any violation of the pitch limits, pitching/catching eligibility, and days of rest rules in Regulation VI must be reported to the league President within 24 hours of discovery of the violation. Violation of the pitch limits, pitching/catching eligibility, or days’ of rest rules in Regulation VI may be the basis for discipline by the Executive Board. The Executive Board will issue a warning for the first violation of Regulation VI. A second violation of Regulation VI will be an automatic 1-game suspension. If additional violations of Regulation VI occur or it is determined by the Executive Board that any of the violations of Regulation VI were intentional, the Executive Board may impose further disciplinary action against the team manager as it deems appropriate to deter further violations of Regulation VI .

Safety

The primary goal of the RPLL Safety Code is to provide our Players, Families, Managers, and Coaches with a physically and emotionally safe environment at every practice and every game throughout the season. At least one manager or coach from each team shall be required to attend safety training. The content and date for the safety meeting prior to each fall and spring season will be determined and set by the Safety Officer.

The Safety Code is intended to introduce the members of RPLL to Little League Baseball’s ASAP (A Safety Awareness Program) and to educate them on RPLL’s specific guidelines for a safer season.

In an attempt to make the Little League experience as safe as possible, all volunteers, Managers, Coaches, Board Members and Adult Umpires will be subjected to a nationwide check of Sex Offender Registries. The RPLL Manager/Coach Confidential Application requires all applicants to grant permission to RPLL to conduct a nationwide check of Sex Offender Registries. The League President or representative will then perform the background check with the assistance of Choice Point. All volunteers, Managers, Coaches, Board Members and Adult Umpires will also provide a government-issued photo identification card for ID verification.

At least one manager or coach from each team shall be required to attend a formal baseball

fundamentals training prior to the start of the spring season through a program determined by RPLL.

To supplement the Medical Release Form, all players' parents shall complete the Medical History Form which, along with the Medical Release Form, shall be carried by all team managers/coaches at all team practices and games. The Medical History Form was compiled with the assistance of paramedics working for the local Fire Department. The questions on the form are those commonly asked by paramedics when responding to an emergency call. In the absence of a player's parents, the form will provide the Managers/Coaches who are present with potential life saving information for the paramedics.

Each team Manager shall:

- Attend safety training sessions sponsored by the league. Safety training sessions shall focus on injury prevention and treatment.
- During hot weather, players should be encouraged to drink before they are thirsty.
- No games or practices should be held when weather or field conditions are unsafe, particularly when lighting is inadequate or the field is too wet.
- Bats in all divisions of play are governed by Rule 1.10. Bats must be Little League approved. All metal bats shall be checked prior to all practices and games to assure that the proper grip material is in place and that bats are not cracked or have flat spots.
- Ensure that all team equipment is stored within the team dugout, or behind screens, and not within the area defined by the umpires as "in play."
- Ensure players are not wearing watches, necklaces, rings, pins, or metallic items during games or practices.
- Ensure that all players that squat to receive a throw from a pitcher shall wear catcher's helmet, mask, throat protector and protective cup during practice and games and when warming up pitchers. All male players are required to wear a protective cup for practices and games.
- Ensure that during warm-up drills, players should be spaced so that no one is endangered by wild throws or missed catches.
- First-aid kits are issued to each team manager and shall be available at all practices and games. In addition, first-aid kits with additional supplies are located at each concession stand or in the equipment box at the playing fields.
- Parents of players who wear glasses should be encouraged to provide safety glasses.

- Regardless of age, managers must NEVER leave a player alone at the fields after a practice or a game.

Each team Safety Parent shall:

- Attend safety training sessions sponsored by the league. Safety training sessions shall focus on injury prevention and treatment.
- Check that managers or coaches have with them at all practices and games Medical Release and Medical History Forms and First Aid kits.
- Conduct safety training for Players that includes safe travel to/from practice and games addressing both walking and bicycle travel.
- Conduct a safety meeting including the team's parents to enforce that safety is everyone's responsibility.
- Observe team practices and games on a regular basis to ensure that the team is following accepted safety practices with a minimum of two adults present at all times with at least one cellular phone. Report all incidents to the RPLL Safety Officer and RPLL President.
- Observe field and game conditions to ensure that Little League Safety Practices and Procedures are being followed.
- Immediately bring all safety issues and/or concerns to the team manager's attention. Alternatively, safety issues can be brought to the attention of an RPLL Board Member.
- Complete and send a preliminary accident report on any incident to the Local League Safety Officer. Within 24 hours of any reported incident contact the Local League President and/or Local League Safety Officer by telephone to discuss the incident.

Both the team Manager and Safety Parent shall:

- Check all the team equipment on a regular, as used basis.
- Inspect practice and play areas prior to all activities for holes, damage, stones, glass or other foreign objects.

Other safety-related rules:

- Managers or assistant coaches, ONLY (i.e., non-volunteer parents or spectators are NOT allowed to warm-up a pitcher), are permitted to warm up a pitcher at home plate or in the bullpen or elsewhere at any time, including in-game warm-up, pre-game warm-up, and in other instances.
- In the Major divisions and below, runners are prohibited from sliding headfirst when

advancing to a base (Rule 7.08(a)(4)); runners may slide headfirst when retreating to a base.

- All Little League Rules, Regulations, and RPLL Local Rules are to be enforced and adhered to at all times.

What to report – An incident that causes any player, manager, coach, umpire, or volunteer to receive medical treatment and/or first aid must be reported to the Safety Officer.

When to report – All such incidents described above must be reported to the Safety Officer within 48 hours of the incident. For the 2023 season, please use the above list.

How to make a report – Complete the Preliminary Accident Report Form in its entirety and submit it to the Safety Officer within 48 hours of the incident. A phone call with regard to the incident is recommended.

More Major Injuries – If injuries are more severe, the Safety Officer will periodically call the injured party to check on the status of injuries, see if other assistance is necessary, e.g., submission of insurance forms, and follow-up until the incident is considered “closed” (i.e., no further claims are expected and/or the individual is participating again in the League.

Communicable Disease Procedures

While the risk of one athlete infecting another with HIV/AIDS during competition is close to nonexistent, there is a remote risk that other blood-borne infectious diseases, such as Hepatitis Types B or C can be transmitted. Procedures for reducing the

potential for transmission of infectious agents should include, but are not limited to, the following:

1. Bleeding must be stopped, the open wound covered, and if there is any excessive amount of blood on the uniform it should be changed before the athlete may participate.
2. Routine use of gloves or other precautions to prevent skin and mucous membrane exposure when contact with blood or other body fluids is expected. Each safety kit includes a minimum of one pair of latex gloves.
3. Immediately wash hands and other skin surfaces on contact with blood or other body fluids, and wash hands immediately after removing gloves.
4. Clean all blood-contaminated surfaces and equipment with a solution made from a proper dilution (1:100) of household bleach or other disinfectant before competition resumes.
5. Practice proper disposal procedures to prevent injuries caused by needles, scalpels and other sharp instruments or devices.
6. Although saliva has not been implicated in HIV transmission, to minimize the need for emergency mouth-to-mouth resuscitation, mouthpieces, resuscitation bags, or other ventilation devices should be available for use.
7. Athletic trainer/coaches with bleeding or oozing skin should refrain from all direct physical contact with players until condition resolves.
8. Contaminated towels should be disposed of, or disinfected, properly.
9. Follow acceptable guidelines in the immediate control of bleeding and when handling bloody dressings, mouth guards and other articles containing body fluids.

- Caution shall be taken to avoid overloading electrical circuits.
- Proper ventilation should be maintained at all times.
- A fire extinguisher shall be located in plain view.

- All volunteers will be aware of not handling money and then handling food.
- Utensils and gloves should be used whenever possible to handle food.

Uniforms and Equipment

Uniforms

RPLL provides players in all divisions with caps and jerseys. All Divisions will wear full uniforms furnished by RPLL, no substitutions are allowed. This will be the authorized uniform and MUST be worn during ALL regular season games and team pictures.

Players may not wear shorts or football pants during practice or games.

Outer clothing must be worn underneath the uniform shirt and both must be tucked into pants. Teams within divisions MUST maintain uniformity. No one team can be outfitted differently than the rest in their division.

Managers and Coaches MUST NOT wear conventional baseball uniforms (per Little League Rule 1.11).

For safety reasons, jewelry/watches are not allowed to be worn by players at practices or during a game.

Players, Coaches, or Managers may NOT, at any time during any Little League/Team event (game or practice), wear attire (hat, jersey, sweatshirt, jacket, shirt, etc.) that has the logo of another concurrent youth baseball organization (travel ball or otherwise). A warning will be issued at the first offense and further disciplinary action will be taken if it continues.

Equipment

RPLL supplies each team with several bats, batting helmets, and catcher's gear, including a catcher glove (standard for right hand). Players must provide their own glove and any other equipment they choose to use. All equipment must meet Little League standards or will not be allowed.

Players are responsible for providing their own uniform pants, cleats (soccer / football cleats are OK), belts, socks, and protective cups. Metal cleats are prohibited in the Majors division and below; metals cleats are allowed in the Intermediate and Junior divisions.

RPLL Assets

Use of RPLL assets (i.e. equipment, bases, supplies, etc.) for personal use or other events not related to RPLL shall only be permitted with approval by the Executive Board prior to the event and/or use of the assets. Such use is at the sole risk of that person/s or entity/ies utilizing said assets. Such persons or entities shall agree to hold RPLL harmless from any liability, claim or otherwise which may arise for any use or misuse of said assets.

Disciplinary Procedures

Rancho Peñasquitos Little League welcomes all eligible participants (managers, coaches, players, and parents) to become a part of its baseball programs, but requires participants to acknowledge that appropriate behavior is essential to the success of the program and the enjoyment of those involved. Accordingly, all those interested in participating in RPLL are required to review and abide by RPLL's Managers' and Coaches' Code of Conduct, Player Code of Conduct, and Parent Code of Conduct (outlined in this section), as a condition of eligibility.

Any individual who fails to abide by these requirements is subject to disciplinary action by RPLL, including suspension and termination of participation.

However, not all misconduct issues are equal, with some being more severe and needing immediate consequences and others less severe. Many factors and variables go into determining the disciplinary action for misconduct. The League's Executive Board will review and assess the situation on a case by case basis; conduct a thorough investigation; and determine the consequences for the misconduct (if any). If a precedent has been set for a similar infraction, the consequences for the misconduct will be applied accordingly.

Infractions for specific rule violations are outlined in the following section:

Disciplinary Action to Players by Managers

In the event that a Manager has attendance or discipline problems with a player, the following actions may be taken in this order:

1. Manager may suspend the player for one (1) game, the manager must notify the Player Agents.
2. Manager must notify the Executive Board in writing within 24 hours. The Player Agent(s) shall meet with the Manager and one or both of the parents within three (3) days of this notice, or before the next game, for the purpose of resolving the problem. Further actions include suspension or removing the player from the team for the season. This action can only be taken by the Executive Board of Directors.

NOTE: All Star eligibility will be dependent on complete games played by a player.

Disciplinary Action to Players, Coaches or Managers by Umpires

Unsportsmanlike conduct by Managers, Coaches, or players will not be tolerated. Umpires will use their sole discretion in handling these situations, however, throwing equipment, display of temper, swearing, or fighting are automatic causes for ejection, with NO warning.

If a Manager, Coach or player is ejected from a game, they will be suspended for one (1) game (minimum); this is MANDATORY. If a Manager or Coach is ejected from a game, they MUST leave the premises immediately.

Disciplinary action is at the sole discretion of the League President and the Executive Board of Directors for violation of Little League International or RPLL Local Rules.

Disciplinary Action to Players, Managers and Coaches by RPLL

First Offense:

When the Executive Board of Directors receives a report of a first offense of the Codes of Conduct, a written warning will be provided to the offender that will indicate the consequences of future violations. Depending on the severity of the first offense, nothing precludes the Executive Board of Directors from suspension of an offender from all Rancho Penasquitos Little League activities for a period of time deemed appropriate by the Executive Board of Directors.

Second Offense:

The Executive Board of Directors may institute a wide range of penalties for repeat offenders, beginning with the second offense, as deemed appropriate by the Executive Board. Such penalties include, but are not limited to:

1. suspension from all Rancho Penasquitos Little League activities for a period of time deemed appropriate by the Executive Board of Directors.
2. severe violations can result in suspension from all Rancho Penasquitos Little League activities for the remainder of the current season or a permanent expulsion from all Rancho Penasquitos Little League activities. See Third Offense.

Third Offense:

The Executive Board of Directors may choose to apply any of the penalties prescribed for a second offense.

If the Executive Board of Directors believes a permanent expulsion from the Rancho Penasquitos Little League is appropriate, the Executive Board should provide notice to the player's guardian

or the individual against whom the action is being taken and allow that person to address a meeting of the Executive Board on their own behalf. Written notice of the place and time of the meeting to address the Executive Board should be sent to the offender by certified U.S. Mail, if there is sufficient current information available to the Executive Board about the address of the individual. If the offender or their guardian chooses not to respond or attend the meeting provided, the Executive Board should take appropriate disciplinary action to safeguard the well-being of the players and persons who attend Little League activities.

Any parent, coach, player, or spectator who has been suspended from league activities may appeal the decision, in writing, to the Executive Board of Directors for a review of the suspension. The petition should be delivered to the League President. The Executive Board of Directors will meet as soon as reasonably possible to consider the petition. The aggrieved parties will be given the opportunity to present their appeal at a meeting.

RPLL Requirements for Coaches and Managers

1. You are responsible for the conduct of yourself as the Manager, your Coaches, your players and your parents. Failure to manage each of these responsibilities can result in disciplinary actions from your Local Little League Board of Directors.
2. The Little League Manager and Coach must be leaders. All must recognize that they hold a position of trust and responsibility in a program that deals with a sensitive and formative period of a child's development.
3. It is required that the Manager and Coach have understanding, patience and the capacity to work with children. The Manager and Coach should be able to inspire respect. Above all else, Managers and Coaches must realize that they are helping to shape the physical, mental and emotional development of young people.
4. The Little League Manager must be something more than just a teacher. Knowledge of the game is essential but it is not the only badge of a Little League Coach or Manager.
5. While an adult with training and background in the game is a desirable candidate for Manager or Coach, League screening committees should look for other important qualities. Screening of Managers, Coaches and others at the local league level who have contact with children is also important in attempting to discover those with a history of child abuse.
6. The heart of Little League is what happens between the adult Manager/Coach and player. It is the Manager, more than any other individual, who controls the situation in which the players may benefit. Improving the level of leadership in this vital area must be a continuing effort.

7. Children of Little League age are strongly influenced by adults whose ideals and aspirations are similar to their own. The Manager/Coach and player share a common interest in the game, a desire to excel, and determination to win. Children often idolize their Managers and Coaches, not because the adult is the most successful coach or mentor, but because the Manager and Coach are sources of inspiration.
8. Managers and Coaches must be adults who are sensitive to the mental and physical limitations of children of Little League age and who recognize that the game is a vehicle of training and enjoyment, not an end in itself. It has been stated many times that the program of Little League can only be as good as the quality of leadership in the managing and coaching personnel. New leagues particularly, should make a determined effort to enlist the best adults in the community to serve as Managers and Coaches.
9. Anyone interested in being a Little League Manager or Coach should contact their local league president in person, and be willing to undergo a screening process that may include a background check, as well as interviews of those with personal knowledge of your qualifications.
10. The best way to train and qualify Little League Managers and Coaches is through the Little League Education Program for Managers and Coaches. A wide variety of materials are available for players and adults, as well as clinics and seminars led by experienced experts. You can learn more about this program by going to the Little League website and clicking on "Education Programs."
11. However, as the chief administrator, the League President selects and appoints the Managers and Coaches. As such, no person becomes a Manager or Coach without the approval of the League President. All appointments are subject to final approval by the RPLL Board of Directors.
12. Only the RPLL Executive Board of Directors has the authority to remove or suspend a Manager or Coach. If a parent or anyone else is dissatisfied with a Manager or Coach, they must present the issue to the League President and Board of Directors. Because the League President and Board of Directors are closest to the situation, it would be a disservice if Little League Headquarters became involved in disputes or personality conflicts between Managers/Coaches and parents.

12. I will set a good example of sportsmanship for my child and others to follow.

RPLL Internal Postseason Tournament

The Junior League (if applicable), Intermediate, Major, and Minor A Divisions shall keep official standings and shall have the opportunity to send a representative team from each Conference to the District 32 Tournament of Champions (“TOC”). The RPLL internal Postseason Tournament will determine which teams from these divisions are selected to represent RPLL in the TOC. Standings will be maintained on the RPLL website using a 3/1 point system, meaning, each regular season win is worth 3 points, and any game that ends in a tie is worth 1 point. The total points for each team will be used to determine final regular season division standings and RPLL internal postseason playoff seeding. If there is a tie at the end of the regular season, the regular season standings will be determined by the following tie-breakers: 1st tie-breaker) winning percentage; 2nd tie-breaker) head-to-head record of the tied teams; 3rd tie-breaker) least number of runs allowed.

All-Stars

This section is subject to change as it has not yet been reviewed and voted on by the Board of Directors.

Big Stars and Little Stars

District Tournament teams (aka Big Stars and Little Stars) are different from Little League International All Stars in the fact that the team is created for one particular tournament and will not move on to the various regional or state levels that an All-Star team may progress to. No extra eligibility paperwork is required for these teams; however, players on these teams are still considered “All-Stars” as only talented, committed players are chosen for these teams.

Players selected to Big Stars play in the Scripps Ranch 9U Summer Classic Tournament; these players are generally selected from our Minor B teams. Players selected to Little Stars play in the Little Stars Tournament; these players are from our MAPS teams.

For both Big Stars and Little Stars, the Player Agents will ask each manager to nominate 2-5 players for consideration. Managers should ensure the players they nominate are available and interested in playing; they must also clearly communicate with the families of those nominated that the names submitted are nominations only and these players are not guaranteed a spot on a

team. Managers will also submit a brief description of why they feel each player should be considered and this information will be compiled and shared with all managers at the time of voting.

Once nominations are received, the Player Agents will ask all managers in the respective division to vote for up to 12 players they feel would excel in the tournament. The top 10 players will be rostered to the team and the Big Star/Little Star team manager will select the last 2-4 players from the list of nominations.

All-Star Manager Selection Process

Selection of the All-Star Team Managers is an important part of the All-Star process. It is important that the selection process be fair and transparent and that those Managers selected uphold the values of RPLL.

1. **Solicitation of Nominations.** In May, the President will notify all current managers and coaches in the appropriate Divisions, of the opportunity to apply to manage an All-Star Team, and the process for nominating themselves. Manager candidates will submit via email to the RPLL President their name and the All-Star team(s) they would like to be considered for. Managers or coaches interested in managing an All-Star team may nominate themselves for the position of All-Star Manager.
2. **Eligibility to Manager an All-Star Team.** All-Star Managers must be able to make a full commitment to their All-Star Team. Besides holding frequent practices and attending games, Managers will be required to know and understand Little League International Official Rules pertaining to “Tournament Rules and Guidelines”. Mandatory District, Sectional, Sub-Divisional, Regional and higher meetings must also be attended. Managers will be expected to invest a significant amount of time and energy into making the All-Star experience a positive one for all participants.
3. **Selection of All-Star Managers.** The President will evaluate All-Star Manager candidates and select candidates who he or she believes will best represent RPLL and provide the best experience for an All-Star team. Criteria which will be considered, includes but is not limited to:
 - the candidate’s conduct and attitude shows clear support for Little League principals
 - the candidate complies with RPLL Rules and Regulations, particularly safety rules

- the candidate has proven to be a dynamic leader and knowledgeable in the sport of baseball
- the candidate treats players and others fairly and with respect
- the candidate possesses organizational skills and professionalism on the field
- the candidate has received positive parent and player feedback during the present and past seasons
- the candidate has been personally observed by the President (and other RPLL Board Members) during the regular season
- the candidate is willing to commit the time needed to manage All-Stars

Announcement of All-Star Managers

The President will recommend his selected All-Star Manager choices to the Executive Board for approval. Once approved, All-Star Managers will be announced and posted on the League's website in accordance with the timeline set forth by Little League International and after teams have been selected. Selected All-Star Managers will be notified, but may not share or discuss their selection with any person other than the Executive Board before official announcements are made. Failure to maintain this confidentiality will result in removal from their position.

After the All-Star players have been selected, the All-Star Manager will choose two official assistant coaches. All Star coach choices will be approved by the RPLL President. All managers and coaches selected must have a current background check on file with RPLL.

Player Eligibility

It is important that the selection process for players be fair and transparent and that those players selected uphold the values of RPLL

1. **Player Eligibility.** In May and in accordance with Little League International time requirements, the RPLL Player Agents will schedule a time/date where interested players will need to register for consideration to be selected for an All-Star Team. This time/date will include the presence of a District Representative who is required to verify registration paperwork for all interested players. Required documents will include an RPLL All Star Contract (commitment letter), an original and copy of the player's proof of age (Birth Certificate) and acceptable proofs of residency; or school enrollment within RPLL's boundaries in accordance with the rules set forth by Little League International. At the Player Agent's discretion, a second time/date may be scheduled. No player will be eligible for selection to an All-Star team without registering in person during the required date(s) and submitting the required paperwork. Any player that would like to be considered for an All-Star team is encouraged to register for consideration.
2. **Commitment Policy.** It is the policy of RPLL, that in order to be eligible for All-Stars, players must commit to the RPLL All-Star Team, both in terms of the time, and

prioritizing the RPLL All-Star team first over other sports and activities. Nominees must be available for a significant, if not the entire amount of time required for All-Star practices and games. However, a player who is going to miss significant games (defined as more than one week of practices or games), or if they will effectuate an abandonment of their All-Star team during this period (i.e. prolonged vacation, summer camps, leaving to play on another team, etc.) will be factors to consider as to whether or not they will be deemed eligible for RPLL All-Stars. Thus, a player who knowingly will miss significant time during All-Star games and practice time, may be considered ineligible for placement on an RPLL All-Star team. Players will be required to detail the dates they are unavailable on their RPLL All-Star Contract (commitment letter). If any player signs up and knowingly misses significant time due to a predetermined reason, the player may become ineligible for All Stars the following season. Any questions regarding All-Star nominee commitments should be addressed by parents to the Player Agent(s).

All spring season Managers should speak to their team's parents and players prior to All-Star registration to ensure parents and players understand the level of commitment required to participate in All Star games and practices. Guidance will be provided by the Division Coach Coordinator; however, it is not a Manager's responsibility to determine a player's availability.

Selection of All Star Players

Players are selected to an RPLL All Star team by Spring-season Manager vote and All-Star Manager selection. Managers should consider voting for candidates who throughout the regular season have exhibited talent/skill, a positive attitude, coachability, good sportsmanship, commitment (excellent attendance at games/practices), team leadership, have been good teammates and who represent RPLL and the PQ community in a positive manner.

1. **Player Vote.** Players in each division will vote for other players in their division who they feel meet the above criteria. A Player Agent(s) will facilitate this voting before or following a designated regular season game prior to the end of the season. This voting will take place by paper ballot and will only be attended by the players, Manager for the team and the Player Agent(s). Players shall not discuss All Star votes during the voting. Neither Managers nor Player Agent(s) shall give players any guidance on who to cast votes for. Players will be asked to vote for 10-12 All Star players. If a player does not participate in the voting at their team's designated time, no makeup period will be provided. At the conclusion of the voting by all teams in a division, the Player Agent(s) will share the voting results of the top five (5) vote getters per division with the Executive Board and those players will be automatically selected to an All-Star team.

Players will also be given the opportunity to vote for an All Star manager. This vote will not be binding, but will be information the President may take into consideration when selecting the All Star manager.

2. **Manager Vote.** Starting with Juniors and working down, the managers in each division will have an opportunity to select members of the All Star team. Managers will be given a date/time to meet with the Player Agents, where they will be able to discuss All Star team composition. The Player Agents will share who has already been selected to the All Star team, and what eligible players remain. Managers will be blind-balloted (meaning they don't discuss who each other is voting for) for their top 5 choices; the top 3 will be added to the team. In the case of a tie, all tied players will be added. This process will continue until the team has 10 total players.

Managers will be given the opportunity to vote for an All Star manager. This vote will not be binding, but will be information the President may take into consideration when selecting the All Star manager.

3. **All-Star Manager Choice.** Upon conclusion of the Player and Spring Season-Manager vote, the selected and approved All-Star Managers for each All-Star team will select the remaining players for their roster from the remaining pool of eligible players. Lower division managers are encouraged to form 12 player rosters to ensure maximum playing time unless there will be known absences from games. The All-Star Managers will submit their choices to the Player Agent(s). All Star rosters must carry at least 12 players.

Note: Players will only be selected to one All-Star team (or one District Tournament team).

Note: Players may participate on an All-Star team that is representing a division lower than the player played in during the regular season. An example is that a League Age 13 year old that plays in Junior League can play on the Intermediate All Star team. Player placement priority should be in their age-appropriate division. To be selected to an All Star team outside the player's age appropriate division requires a recommendation of a majority of managers in that division and approval of the Executive Board. An example is that a League Age 12 year old would be prioritized for selection to play on the Majors team.

Player Notification

Players chosen for an All-Star team will be notified on the first date permitted by Little League International rules. All Star selections are confidential and CANNOT be released prior to the approved date. Releasing All-Star selection information before the authorized date, is grounds for Little League International disqualifying all of the offending league's All-Star teams from postseason play. All players selected will have their names posted on www.rpll.org and will be notified by their All-Star Manager in accordance with the dates set forth by Little League International.

Potential All-Star Teams

Registration numbers vary from season to season. The number of players that self-nominate can vary from season to season as well. Because of this, the number of All-Star teams per season can vary.

RPLL typically attempts to field one All-Star team per age group. Depending on the number of interested players in a particular age group, additional or fewer teams may be formed. RPLL typically creates All-Star or District Stars tournament teams for the following age groups:

- Seniors - League age 13-16 year olds
- Juniors – League age 13-15 year olds
- Intermediate – League age 11-13 year olds
- Majors - League age 12 years old
- Minor A – League age 9-10-11 year olds
- Minor A – League age 8-9-10 year olds
- Minor A and Minor B (District Stars Tournament) - 8-9 year olds
- Little Stars (District Stars Tournament) – MAPS 7-8 year olds

Note: 10-year olds that play the regular season in Minor B are eligible for the Minor A 8-9-10 year old and 9-10-11 year old All Star Team. However, 9 and 10 year olds that played their season in Minor A will be considered first, making it unlikely that in most years, a 10-year-old that played in Minor B will be selected for the Minor A 8-9-10 year old or 9-10-11 year old All Star team.

These Bylaws for Rancho Peñasquitos Little League were approved by a vote of the Board of Directors on December 1, 2022 by the Executive Board and are valid until October 1, 2023, unless changed by a vote of the Board of Directors.
